Engineering Library

ARMY ORDNANCE

Index to Volume XI

No. 61 (July-August 1930) to No. 66 (May-June 1931) Inclusive

SUBJECT INDEX

Aberdeen, Antiaircraft Exercises at ... 61
Aberdeen's Place in the Sun (Editorial) ... 135
Accessories, Contracts Awarded for Airplanes, Engines and ... 61
"Ace" Colt Automatic Pistol, The New ... 458
Advisory Committee, S. A. E., Meeting of Ordnance ... 60
Air-Cooled Machine Guns Increase Fire Power of Cavalry ... 222
Aircraft Reduced, Cost of Military ... 471
Aircraft, The Designation of Army ... 139
Airplanes, Engines and Accessories, Contracts Awarded for ... 61
All-Purpose Gun Mount Tests ... 139
American Heavy Artillery, Model 1931 ... 355
Ammunition ... 470
Ammunition Depot at Hawthorne, Nev., The Naval ... 137
Ammunition Renovation Plants ... 394
An Echo of Other Days (Editorial) ... 388
Annual Meeting of Trustees and Directors, A. O. A. ... 390
Antiaircraft Exercises at Aberdeen ... 61
Antiaircraft Exercises, The 1930 ... 221
Antiaircraft Gun Control, Part I ... 452
Antiaircraft Moving Pictures ... 223
Antiaircraft Sight for Machine Guns, New ... 222
Arc Welding, Prize Competition for ... 222
Armament, Testing Our Military ... 93
Arms and Cannon for Infantry, More Automatic ... 60
Army Aircraft, The Designation of ... 139
Army and Navy Officers, Low Pay of ... 28
Army Ordnance Association Post Established at Birmingham ... 273
Army Ordnance During 1930 ... 287
Army Ordnance, The Development of ... 191, 277
Artillery, Model 1931, American Heavy ... 355
Artillery, Modern Thought in Division ... 33
A. S. M. E. In National Defense, The ... 48
Association Affairs ... 54, 140, 228, 315, 390, 472
Association Membership ... 57, 143, 229, 317, 393
Autogiro As An Instrument of Defense, The ... 223
Autogiro, The Navy Tests the ... 394
Automatic Arms and Cannon for Infantry, More ... 60
Automatic Guns, France to Test ... 221
Automatic Pistol, The New "Ace" Colt ... 458
Automotive Development, Ordnance Advisory Committee Considers ... 310
Band, Mechanization Includes the ... 61
Birmingham, A. O. A. Post Established at ... 273
Bombed, Old Destroyers to Be ... 224
Book Reviews ... 66, 156, 230, 322, 398, 476
Boston Post, A. O. A. ... 316, 472
Boston Post, A. O. A., Election of Officers ... 56
Bridgeport, Ordnance Activities at ... 57
British Army, Ordnance Reserve Officers in the ... 396
Bryant, Waldo C. (Editorial) ... 135
Business Problems, The Study of ... 38
Caliber .30 Armament, 1917-1930, Evolution of ... 61
Camps, Reserve Officers at Summer ... 140
Cannon for Infantry, More Automatic Arms and ... 60
Carrier Pigeons Still Depended On in Battle ... 223
Cavalry, Air-Cooled Machine Guns Increase Fire Power of ... 222
Characteristics of an Explosive, The ... 283
Charges in Smokeless Powder, Static ... 293
Chemical Laboratories of Picatinny Arsenal, The New ... 469
Chemical Warfare Progress ... 396
Chilean Nitrate Industry, The ... 110
Christie Tank, The (Editorial) ... 307
Christie Tank to Be Purchased ... 137
Cincinnati Post, A. O. A. ... 316
Colonel Dickson Describes Metallurgical Advancements of Ordnance ... 58
Colt Automatic Pistol, The New "Ace" ... 458
Command Exercises Essential ... 471
Committee of Tellers of Election (A. O. A.) ... 140
Committee on National Defense, United States Chamber of Commerce ... 106
Competition for Arc Welding, Prize ... 222
Congratulations and Thanks (Editorial) ... 219
Contracts Awarded for Airplanes, Engines and Accessories ... 61
Control of Industry in War, The ... 181
Cost of Military Aircraft Reduced ... 471
Course in Management, A (Editorial) ... 387
Courses at Stanford University, Explosives ... 311
Courses at University of Michigan, Ordnance Reserve ... 394
Day of Dedication, A (Editorial) ... 467
Death of Fritz Heigl (Editorial) ... 387
Deceased Members ... 57, 144, 229, 315, 393, 473
Defense Strongholds of Other Days (Pictorial) ... 292
Defense Study of Tremendous Value, A (Editorial) ... 389
Defense, The Autogiro As an Instrument of ... 223
Designation of Army Aircraft, The ... 139
Development of Army Ordnance, The ... 191, 277
Directors, Annual Meeting of Trustees and ... 390
Division Artillery, Modern Thought in ... 33
Divisional Weapons, New Fire Control for ... 365
Double Trigger for 37-mm. Gun ... 139
Editorial ... 50, 133, 217, 306, 386, 466

Aberdeen's Place in the Sun ... 135
An Echo of Other Days ... 388
Bryant, Waldo C. ... 135
Christie Tank, The ... 307
Congratulations and Thanks ... 219
Course in Management, A ... 387
Day of Dedication, A ... 467
Death of Fritz Heigl ... 387
Defense Study of Tremendous Value, A ... 389
Educational Orders and Unemployment Relief ... 306
General Bricker, Assistant Chief of Ordnance ... 134
General Hof, Chief of Ordnance ... 50
General Staff Policies and the New Chief ... 306
General Tschappat, Assistant Chief of Ordnance ... 51
Industrial Mobilization in Germany ... 218
Military Mechanization and Industry ... 466
Moving a Fortress on Wheels ... 467
Navy Cuts Adrift, The ... 52
Need for Plain Talk About National Defense, The ... 468
New American Gun Carriage, A ... 387
Nine-Hours' Supply of Artillery Ammunition ... 309
Officers' Reserve, The ... 52
Ordnance History, An ... 307
Part of Our Munitions Job ... 386
Pennell Cover Designs ... 306
Reserve Corps Training ... 467
Service Journal Legislation ... 386
Sir Philip Gibbs Moralizes ... 218
Step Forward in Industrial War Planning, A ... 220
T-2 Gun Mount, The ... 52
Ten Years of Army Ordnance ... 53
Uniform Pistol Law, A ... 308
Upton's Contribution to National Defense ... 467
War With Rockets! ... 388
Wartime Draft to Be Studied ... 51
Well-Deserved Honor, A ... 386
Williams Medal for Distinguished Ordnance Service, The ... 136
Educational Orders and Unemployment Relief (Editorial) ... 306
Educational Orders for Munitions ... 185
Election, Committee of Tellers of ... 140
Election of Officers and Directors (Editorial) ... 217
Engines and Accessories, Contracts Awarded for Airplanes ... 61
Equipment of the Mechanized Force, Ordnance ... 395
Evolution of Caliber .30 Armament, 1917-1930 ... 61
Evolution of the Sword, The ... 128
Explosive, The Characteristics of an ... 283
Explosives Courses at Stanford University ... 311
Explosives Operations, Safety in ... 441
Fire Control for Divisional Weapons, New ... 365
Flying, Instrument ... 138
Force, U. S. Army, The Mechanized ... 429
Foreign Reviews ... 62, 150, 234
France to Test Automatic Guns ... 221
Fuller, Dr. L. F., Dean of Electrical Engineering at California ... 140
Fundamentals of Industrial Mobilization ... 7
General Bricker, Assistant Chief of Ordnance (Editorial) ... 134
General Hof, Chief of Ordnance (Editorial) ... 50
General Staff Policies and The New Chief (Editorial) ... 306
General Tschappat, Assistant Chief of Ordnance (Editorial) ... 51
Germany, Industrial Mobilization in ... 115
Gun and Mount, T-3, The Universal ... 187
Gun Control, Antiaircraft, Part I ... 452
Gun, Double Trigger for 37-mm. ... 139
Gun Mount Tests, All-Purpose ... 139
Guns, Inspection of Seacoast ... 138
Hail and Farewell ... 225
Hawthorne, Nev., The Naval Ammunition Depot at ... 137
Heavy Artillery, Model 1931, American ... 355
High-Speed Steel, Molybdenum in ... 12
Improvement in Landing Gear on Navy Planes ... 395
Improvements at Ordnance Establishments, Repairs and ... 395
Industrial Intelligence Service ... 131
Industrial Mobilization, Fundamentals of ... 7
Industrial Mobilization in Germany ... 115
Industrial Mobilization in Germany (Editorial) ... 218
Industrial Mobilization in Russia ... 347
Industrial Relations of Ordnance ... 183
Industry, A Method for the Survey of ... 199
Industry and The National Defense ... 105
Industry in War, The Control of ... 181
Infantry, More Automatic Arms and Cannon for ... 60
Infantry Shooting Maintains High Standard ... 222
Inspection of Seacoast Guns ... 138
Instability of Tetranitroaniline, The ... 59
Instrument Flying ... 138
Intelligence Service, Industrial ... 131
Is Mechanization Expensive? ... 22
Job Ahead of Us, The ... 9
Labor and the National Defense ... 462
Laboratories of Picatinny Arsenal, The New Chemical ... 469
Landing Gear of Navy Planes, Improvement in ... 395
Latest Submarine Addition to the U. S. Navy, The (Pictorial) ... 265
Leading Figures in Ordnance Activities at Birmingham ... 275
Library at Springfield Armory, The Museum and ... 311
Low Pay of Army and Navy Officers ... 28
Machine Guns Increase Fire Power of Cavalry, Air-Cooled ... 222
Machine Guns, New Antiaircraft Sight for ... 222
Machines of Warfare in Realistic Outline (Pictorial) ... 264
MacNider, Col. Hanford, Chosen Minister to Canada ... 21
Macroexamination of Steel, The ... 297
Manufacture, The Use of Welded Construction in Ordnance ... 394
Mechanization Expensive, Is ... 22
Mechanization of War, The, Part I ... 259
Mechanization of War, The, Part II ... 350
Mechanization Includes the Band! ... 61
Mechanized Force, Ordnance Equipment of the ... 395
Mechanized Force, U. S. Army, The ... 429
Meeting of Ordnance Advisory Committee, S. A. E. ... 60
Meeting, Our Twelfth Annual ... 209
Metallurgical Advancements of Ordnance, Colonel Dickson Describes ... 58
Method for the Survey of Industry, A ... 199
Methods of Testing Weapons Have Changed ... 226

Military Aircraft Reduced, Cost of ... 471
Military Armament, Testing Our ... 93
Military Mechanization and Industry (Editorial) ... 466
Mobilization, Fundamentals of Industrial ... 7
Mobilization in Germany, Industrial ... 115
Mobilization in Russia, Industrial ... 347
Modern Thought in Division Artillery ... 33
Molybdenum in High-Speed Steel ... 12
More Automatic Arms and Cannon for Infantry ... 60
Mount, T-3, The Universal Gun and ... 187
Mount Tests, All-Purpose Gun ... 139
Moving a Fortress on Wheels (Editorial) ... 467
Moving Pictures, Antiaircraft ... 223
Munitions, Educational Orders for ... 185
Munitions Problem of the United States ... 423
